# No-Smoking Statement of Understanding (SOU)

*Upon reading the following, all 10-Week students will indicate understanding by signing this contract.*

### UCI SMOKE-FREE POLICY
### *(NO-SMOKING POLICY)*

Smoking, which includes cigarettes, e-cigarettes, vapes, etc., is not allowed anywhere on campus including sidewalks and parking lots. A service officer will be patrolling UC Irvine Division of Continuing Education to make sure students are not smoking on campus.

**Recreational Marijuana is NOT Legal for International Students**. International Students <u>may not</u> use marijuana on UC Irvine Campus or anywhere within the United States under federal law. Even though the State of California recently legalized the personal use of marijuana, international students must follow all United States federal laws and must not engage in the use of marijuana products. If you drive a car or bicycle while you under the influence of any drug or alcohol, you may be arrested by a law enforcement officer. Arrests for a DUI (driving under the influence) can have a significant and negative impact on your immigration status and future visa applications.

The following will happen to students who are found smoking:

1. **the first time**, you will receive a **<u>verbal warning</u>**.
2. **the second time**, you must pay a fine of **<u>$50</u>**.
3. **the third time**, you must pay a fine of **<u>$100</u>**.
4. **the fourth time**, you may be **<u>dismissed from the program</u>**.

If you are attending UC Irvine Division of Continuing Education ESL programs, according to UC Policy of Student Conduct 102.16, <u>you must be able to identify yourself</u> by providing the service officer or any university employee <u>with some type of **identification** (student id, passport, etc.) at all times</u>.

**If you refuse to identify yourself, give a false ID**, **or lie to the service officer about who you are**, <u>you may be dismissed from the program</u>.

If you are rude or disrespectful towards the service officer, you may also receive additional penalty.

I understand the policies above.
